PRODUCTIONS LTD

Dear Parents/Guardians,

Students from yrs. 2-6 have an exciting opportunity to work with **SiteLine Academy**, a professional theatre company that already work within the school who come highly recommended by all the primary & Secondary schools they work with across Derby & Nottingham. They are offering our students fun 'Creative Performance Workshops' which culminate in a performance for the parents at the end of each term.

**SITELINE ACADEMY SESSIONS**

Classes are centred around a fun theme that the experienced Workshop Leader has devised. The group then take ownership of the performance as they build the play week by week. Drama Club members will be given a unique experience: working with industry professionals during weekly workshops held after school that are designed to encourage development in learning, performance and communication. Members will work alongside the Workshop Leader to create and explore themes through **Roles & Situation | Acting | Speech | Movement | Text – Modern & Classical | Dance & Song.**

**HERE'S WHAT PEOPLE ARE SAYING**

**"This first experience of extra-curricular drama in our school was fantastic and I was continually amazed at the quality of sessions, and performances. The Workshop Leaders commitment, energy and enthusiasm are boundless. They lead and inspire by example and are a constant source of innovative ideas. They help each student to discover and develop their own talents."** - Christine Reilly Headteacher – St. Margaret Clitherow Catholic Voluntary Academy

**"The energy from the children on stage was wonderful and they performed like true professionals."** - Scarlett Dickinson – Staff and volunteer at Déda
