

Mathematics

We will keep you informed on Class dojo about what the children will be covering week by week in maths. During the first term, children in both year 1 and 2 will concentrate mainly on place value, number bond and addition and subtraction.

PSHE

This term is all about getting to know each other, discussing what makes us the same and different, and learning about the golden values at St Albans that will help us to achieve our very best.

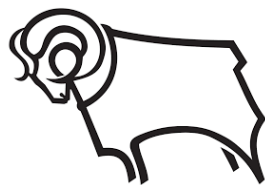

English

This term we will have a concentration on basic skills and presentation of work. We will revisit all of the phonics (letters which sounds make) which the children were taught in year 1. We will teach English through quality texts linked to our topic which will include an Anthony Browne favourite 'Willy the Wizard'.

History

Our topic this half term is 'Super Rams' and many of our curriculum areas will be linked to this. This term we will focus on the history of a significant person in our location, Brian Clough

The Super Rams!

D&T / Art

We will be drawing some self-portraits and making split-pin footballers.

P.E.

Mr Karia will be starting the year with a fitness scheme of work.

Religious Education

We will be following the Come and See scheme of work, and we will be focusing on our topics of 'families and 'signs and symbols'.

Science

During science lessons our topic will be healthy bodies. Please see the knowledge organiser in the children's home-learning book for specific knowledge that the children can practise at home.

Geography

We will be gaining knowledge about The United Kingdom and the surrounding seas. The children will be taught to locate Derby on a UK map

Computing

In Computing we will be looking at algorithms (instructions) and giving our bee bots instructions.

Music

This term we will be learning about pulse and rhythm. The second half of the term will be busy with nativity preparations!
