

Mathematics

We will keep you informed on Class dojo about what the children will be covering week by week in maths. During the first term, children in both year 1 and 2 will concentrate mainly on place value, number bonds and addition and subtraction.

History

Our topic this half term is 'Once upon a time' and many of our curriculum areas will be linked to this. This term we will focus on the history of castles and the 'Battle of Hastings'.

PSHE

This term is all about getting to know each other, discussing what makes us the same and different, and learning about the golden values at St Albans that will help us to achieve our very best.

English

This term we will have a concentration on basic skills and presentation of work. We will revisit all of the phonemes (letters which sounds make) that the children were taught in year 1/FS. We will teach English through quality texts linked to our topic which will include Rapunzel and dragon poetry.

Once Upon a Time

D&T / Art

We will be mixing primary colours and painting story settings. We will design a make a Norman shield!

P.E.

Mr Karia will be starting the year with a fitness scheme of work.

Religious Education

We will be following the Come and See scheme of work, and we will be focusing on our topics of 'Beginnings and 'Belonging'.

Science

During science lessons we will be learning about parts of the body and how to stay healthy. We will also be categorising animals and finding out about their habitats.

Geography

The children will learn the four countries in the United Kingdom and the surrounding seas. The children will be taught to locate Derby on a UK map.

Computing

In Computing we will be looking at 'Real world modelling'. We will visit the computer suite and talk about parts of a computer.

Music

This term we will be learning about pulse and rhythm. Our artist of the term will be Elvis. The second half of the term will be busy with nativity preparations!
