

YEAR 5/6 RE HOME LEARNING – Freedom & Responsibility 4b

Respond

How can I be aware that with freedom comes responsibility?

Reflect:

What are your thoughts on:

- How rules can bring freedom.
- How people know the boundaries that their personal freedom gives them.
- How freedom and responsibility are linked.
- How people's perception of what their freedom allows may conflict with the expectation of others.
- Whether it is necessary for people to have religious beliefs to live their lives well

Key Considerations as we respond to our learning

Remembering, celebrating and responding to the understanding that freedom involves responsibility and God's rules for living freely and responsibly – the Commandments

- Think of the rules which govern our lives in school, at home, in the world.
- Think about how you feel when you or others break the rules.
