

## YEAR 5/6 RE HOME LEARNING – Common Good 4

### Consider:

- What is justice?
- How can we build a fair and just world?
- What is the difference between fairness and justice, unfairness and injustice?
- How can we help to promote the dignity and common good of all?

### Remember:

- Beatitudes are a guide from Jesus about how to live life.
- How Jesus brought the Good News of justice to our world.
- What is meant by ‘Common Good’?
- The ways we can act justly, love tenderly and walk humbly with God.
- How Christians can work for the Common Good.
- Something about Catholic Social Teaching.

### Respond:

Write your responses from the remember section response on a leaf template with a sentence starter, “During the holidays I will try to consider the good of others by...These leaves can be arranged on a tree called *justice*.”
