

7

In the Champions League there were 2534 fouls. The referee gave a yellow card for 645 fouls and a red card for 27 of the fouls.

How many fouls did not receive a red or yellow card?

8

In the crowd of a group-stage game between Real Madrid and PSG, 35 708 fans are wearing white scarves, 20 596 are wearing blue scarves and 8204 are wearing black scarves.

8a)

How many scarves are there altogether?

8b)

If there are 70 500 fans in the stadium, how many of them do not have a scarf of those colours?

10

The trophy awarded to the winner of the Champions League was first awarded to Celtic in 1967. Before that, a different trophy was awarded to the Champions of Europe.

Champions of Europe Trophy	
Mass	11.2kg
Height	74.25cm

Champions League Trophy	
Mass	7.56kg
Height	73.5cm

10a)

How much heavier was the original European cup than the cup that is awarded to the Champions League winner now?

10b)

How much taller was the original European cup than today's Champions League cup?

11

These times show the five fastest goals ever scored in the UEFA Champions League.

Time Taken	Scorer	Date Scored
10.12 seconds	Roy Makaay	07/03/2007
10.96 seconds	Jonas	01/11/2011
20.07 seconds	Gilberto Silva	25/09/2002
20.12 seconds	Alessandro Del Piero	01/10/1997
21.06 seconds	Clarence Seedorf	28/09/2005

11a)

Round each time taken to the nearest second. Then, use these rounded times to find the approximate total time taken to score the five all-time fastest goals. Give your answer in minutes and seconds.
